

# Introducing Zeffy for RBSC Payments

A no-fee platform for memberships, events, and fundraising

## Why we are making this change

Starting this season, Rusty Bindings Ski Club (RBSC) will use Zeffy as our primary online payment platform for membership dues, event registration, and select club fundraising activities. The goal is simple: keep more of every dollar with the club.

Unlike most payment services, Zeffy is designed specifically for nonprofits and does not charge platform fees or credit card processing fees. That means RBSC receives 100% of the amount you pay toward dues or tickets.

## What Zeffy is (and why it is free)

Zeffy is an all-in-one nonprofit payment and fundraising platform with tools for memberships, event ticketing, donation forms, and more. Zeffy covers its operating costs through an optional donor tip presented at checkout rather than charging the nonprofit transaction fees.

Tip: When you see "Support Zeffy," choose \$0.00 unless you want to add a voluntary tip.

## Important checkout note - the Zeffy tip is optional

During checkout you may see a line such as "Support Zeffy" or "Make a donation to Zeffy." This is not required to complete your purchase. To keep your total at the club amount, simply select \$0.00 for the Zeffy support line. If you enjoy the service and would like to tip Zeffy, you are welcome to do so - but it is entirely optional.
